

Contact Center + 8.0 – Customer Service

Assessment Fact Sheet

Overview

The **Contact Center + 8.0 – Customer Service JFA** is designed for entry-level positions in a contact center environment where the main focus is customer service.

Sample tasks for these jobs include:

- Verifying the customer or account;
- Taking ownership of customer issues;
- Interacting with customers to provide information;
- Responding positively to difficult, irate, or confused customers;
- Listening attentively to callers; and
- Reviewing account details and standard policies to assist customers;

Potential job titles that use this JFA include:

- Call center representative,
- Contact center representative,
- Contact center agent,
- Customer service agent,
- Customer service representative, and
- Customer advocate.

This JFA includes the CCSims Customer Service MMSJT, which is a mobile-friendly simulation administered as a multimedia situational judgment test. The MMSJT includes scenarios (call types) that involve providing assistance with a customer’s online account, and responding to a request to cancel a service. The MMSJT is not offered as a standalone assessment; as part of the JFA, the MMSJT is paired with a behavioral assessment and a cognitive test that cover additional customer service competencies.
