

# Occupational Personality Questionnaire

## Assessment Fact Sheet

### Overview

The Occupational Personality Questionnaire (OPQ) gives organisations an understanding of how aspects of an individual's behavioural style will affect their performance at work. The depth of insight and range of business-relevant reports means it is a popular choice in many settings including, selection for graduate, professional and management positions, onboarding of new employees, leadership development and team building. The OPQ32r is the latest and most comprehensive version of the OPQ. It has been reimagined with a new look and feel providing an enhanced mobile-first candidate experience.
